Loreto Retreat Jewish Outreach Conference

*4 days of diving deep into the word of God
while enjoying God's beautiful creation in
Loreto, B.C.S. Mexico*

Welcome to the Jewish Outreach Conference

Group Study Sessions

King Bed in House of Grace

The **Jewish Outreach Conference** that we host every year is open to any believer who wants God to deepen their love for and interest in reaching the lost Jewish people. This is the time to get away from it all to focus on God and the Bible with like-minded believers who love Jesus.

Although the Retreat is called Jewish Outreach this does not mean it is a training for reaching the Jewish people. The retreat is an in depth study of the scriptures that lead to an in depth study of the heart of God. An in depth study of the scriptures and the heart of God leads a believer to have a heart that desires to see Jewish people come to life through Jesus Christ. We desire to increase the outreach to the Jewish people by deeply diving with Gentile believers into the scriptures in order to see Gentile believers become more conscious of and burdened for the lost estate of Jewish people.

The **4 day** event includes **6 Bible lessons**, accommodations, all meals during the retreat, fellowship, notebook for personal reflection time, and activities to see the wonderful creations of the God of Israel, Jesus Christ. This is a place where the wonders of God's magnificent creation ministers to the soul.

Each day starts with morning announcements, group prayer, first meal of the day, 3 hymns, Bible lesson, closing prayer, group activity, afternoon group prayer, second meal of the day, fellowship/R&R, evening group prayer, third meal of the day, 3 hymns, Bible lesson, closing prayer.

After the four day period and in the final wrap up session participants are encouraged to share their experiences and goals in reaching Jewish people.

The price for the retreat is only a small fraction of the actual cost. This retreat is a ministry of **Israel Restoration Ministries** and **Friendship with God**. Because of this, the majority of the cost is underwritten in order to promote a Scriptural awareness of, and a burden for, God's lost Jewish people.
